## ALL-IN-ONE Bluetooth® IN-CEILING AUDIO

Seamlessly integrate audio into any restaurant with our innovative Lithe Audio Wireless Bluetooth Ceiling Speaker. Designed to enable high quality audio streaming from any phone, tablet or PC these retrofit speakers just need power.

### WHY LITHE FOR RESTAURANTS?

#### EASY TO USE

Pair any Bluetooth device such as phone, tablet or laptop

#### PERFECT FOR RESTAURANTS

Discreet, wireless and easy to retrofit into any room

#### PLAYLIST

Find the perfect playlist for your establishment or make your own

#### CELEBRATE BIRTHDAYS

Select a birthday song quickly and have everyone sing along

#### PASSWORD PROTECTION

Ensure only staff can connect with unique pin protection

#### LITHE-LINK

For larger rooms, connect up to 6 ceiling speakers together

#### ALL-IN-ONE SYSTEM

Save precious cupboard space with our built-in amplifier

#### STREAM FROM ANY APP

Use any of your favourite apps and playlists for music and ambient sounds

## CREATE AN ATMOSPHERE WITH LITHE AUDIO

Embrace your cuisines' culture or use a playlist of favourites to entertain your customers with our easy-to-use wireless Bluetooth ceiling speakers. Stream directly from your smartphone, tablet or TV using any app or source
